OPERATIONS

Operator	Licensed AOC holder
Registration	In the flight brief
Terminal (FBO)	In the flight brief
Departure time	10:00 local time

All times are local. The flight time is an estimate based on distance and cruise speed; the exact times, routing and terminal are confirmed in your flight brief once the booking is paid. A photo of each passenger's passport is needed for the manifest. The operator keeps full operational control of the aircraft and crew; 70 Concierge arranges the flight on the client's behalf and is not an air carrier.
